Knowledge Web Autumn Term 1 - 2024

Starting School

Welcome everyone. Younger siblings of current pupils and new families.

This is a Knowledge Web.

Each class sends them home at the start of every term to help with the conversations at home around the learning at school. We hope they help you understand what the children are experiencing at school.

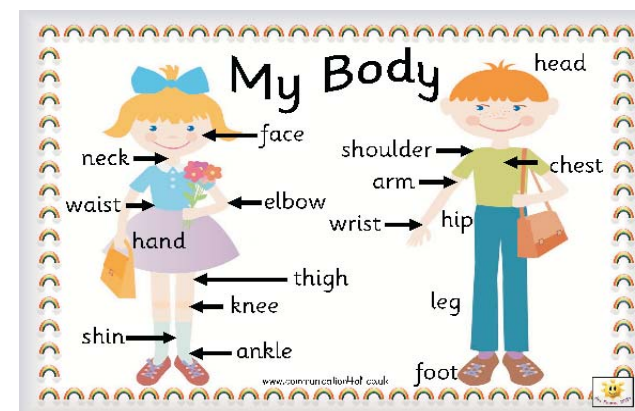

Our Special Books

What makes me, Me? by Ben Foulks
Super Duper You by Sophy Henn
The Colour Monster Goes to School by Anna Llenas

Along with others about starting school, these books are a brilliant selection to share with the class to make them feel good about their current Milestone of starting school.
