

What I should already know
I know about similarities and differences between myself and others.
I can make observations about myself and other people.
I can talk about myself and my own features.

Key Vocabulary	
human	A person; human being. Humans are part of the group of mammals
body	The main part of a person or animal, not including the head, arms, and legs.
features	A part of the face such as the eyes, nose, or chin.
senses	Any of five ways to understand or experience one's surroundings. The senses are touch, smell, taste, sight, and hearing.
texture	The feel or look of a surface.
mammal	A warm-blooded animal with fur or hair on its skin and a skeleton.

Knowledge	
Human beings	<p>We are called humans</p> <p>We are from the family of animals called mammals</p>
Basic parts of the human body	Hair, head, ears, eyebrows, eyes, nose, mouth, chin, neck, shoulder, chest, elbow, arm, wrist, hand, tummy, knee, leg, ankle and foot
There are 5 basic human senses.	Touch, taste, smell, sight and hearing
How do we touch?	We touch using our skin (usually our hands)
How do we taste?	We taste by putting something in our mouth
How do we smell?	We smell by using our nose
How do we see?	We see by using our eyes
How do we hear?	We hear by using our ears

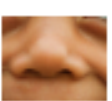

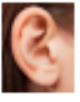

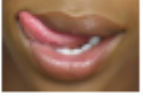

Investigate
<p>Talk about the main body parts and sing songs to remember them.</p> <p>Play a senses game with a grown up. Can you close your eyes and guess the smell, taste, sound or feel of an object?</p> <p>Try different foods such as fruits and describe the taste and texture to an adult.</p>

What I will know by the end of the unit
I can name the main body parts. (including head, neck, arms, elbows, legs, knees, face, ears, eyes, hair, mouth, teeth)
I can sing songs and rhymes to help me recall the main body parts.
I can name the 5 senses and say which body part they are linked to.
I can use my senses to compare different textures, sounds and smells.

### The 5 Senses

Humans have five senses. The senses are linked to parts of the body.

Sense	Part of the body
 sight	 eyes
 smell	 nose
 touch	 hands, feet, etc.
 hearing	 ears
 taste	 tongue
