

Trull School Vision

BE NURTURED

We aim to **nurture** among everyone a real sense of purpose of who we are in the world, an **appreciation** of their **own** and of **other cultures** and **beliefs** and to know how **special** and **unique** they are in the eyes of God.

BE RESILIENT

We want the children to leave school as **well rounded, caring, confident** individuals and **critical-thinkers** who have the **skills, aspiration** and **resilience** to be lifelong learners.

BE CHALLENGED

We aim to provide a **safe** environment in which every child has the opportunity to develop and enjoy his or her **maximum potential**. We strive for **excellence** not only in academic work, but also in creative, practical, sporting and social activities, so as to promote **physical, mental** and **emotionally healthy lifestyles**.

BE INVOLVED

We strive to be at the centre of the local **community** with positive and effective links to wider and **global communities** providing **equal opportunities** for all.

We believe Education is the most powerful gift, ours to give.

"I have come that they may have life, and have it to the full" John
