

Performance Data 2021/22

Performance Data for our children at Trull Church of England VA Primary School

We are proud of all our children at Trull Primary School and support and challenge them to make the most progress possible to achieve their full potential.

The results of the tests that our children have taken this year are not being published in league tables this year, as the government acknowledges that the Covid 19 pandemic has had an effect on the education of children across the country. However, as a school we continue to be proud of all of our children and our school results for 2021-2022 can be viewed in the tables below.
