

Keeping you safe at Trull CE VA Primary School

What is Child Protection about?

All the adults around you think that your health, safety and welfare are very important.

In our school, we respect you and help to protect your rights. We do our best to help you make good educational progress and good decisions.

We teach you how to recognise risks in different situations, and how to protect yourselves and stay safe.

How will we try to protect you?

We try to make school a safe place for everyone to learn in. We want to make sure that you remain safe, at home as well as at school.

We think it is important for you to know where to get help if you are worried or unhappy about something.
