Celebrating Harvest

*I have come that they may have life,
and have it to the full.
John 10:10*

On Wednesday morning, Rowan Class led us in our Harvest Celebrations.

Their message was on sharing food fairly with the people of the world.

They demonstrated this by showing us how many people live on each continent and then how much food is produced. The difference between Oceania and Asia was astounding!

Thank you also to everyone that donated food for Taunton Food Bank. Mrs Wilkins took everything down and they were very grateful.

Yew Class News

Yew Class have had an exciting start to the year, fulfilling their roles impressively. The sports captains have organised our first house tournament this week and the house captains picked and lead their teams with Eastbrook coming out as the victors on the tag rugby pitch. Our Music Leads have been organising musicians for assembly and our Well-Being leads are in training and have some exciting ideas up their sleeves for this year.

In class we have just started writing our own twisted fairy tales, taking inspiration from the Brothers Grimm - ask us about them if you dare!

We have been mixing science, geography and outdoor education in the past two weeks, classifying animals and plants and finding out about the magic of the tropical biomes around the world. We are preparing an art sculpture to show off at the end of this half term about the animals that have inspired us.

World Smile Day

Today the school got a mention on a live phone-in to the This Morning show.

There is a group of children who smile and wave every day to an elderly resident on their way to school and she phoned in to the show.

It is simple acts of kindness which make all the difference.

We were very lucky this morning to be joined by Olympic Bronze medallist Becky Wilde.

She shared her experience of the Olympics and hopefully may have inspired some of our children.

After assembly she visited each class and the children got to hold her medal.

Tag Rugby Tournaments

Thank you to all the grown ups that have taken children to the tag rugby tournaments one the last three Thursdays - we have taken over 40 children! It has been amazing to watch the children's confidence and skills grow over the weeks with some amazing rugby on show.

The last tournament was yesterday with both teams performing brilliantly with 5 wins and 1 draw between them.

Trull was definitely the most represented school in the area across the three weeks.

If tag rugby has inspired your child, then Taunton Rugby Club have teams in each age group and are keen to attract new players <https://www.tauntonrfc.co.uk/youth>

Mrs Heywood still hopes to revamp the school art gallery with real picture frames. Does anyone have any unwanted ornate frames A3 size, they are willing to donate to the project please, ideally with no glass? Thank you.
