## Elm Class News

So far this term, our classroom has been buzzing with curiosity and creativity as we explore the fascinating topic of Australia in our geography lessons.

*I have come that they may have life,  
and have it to the full.  
John 10:10*

In our writing sessions, we are focussing on crafting effective sentences, inspired by the delightful story "Wombat Goes Walkabout" by Michael Morpurgo.

The story of Wombat's adventure has provided us with the opportunity to practice using descriptive language, punctuation, and exciting sentences. We are enjoying creating our own versions of Wombat's journey, demonstrating our growing ability to write engaging and exciting narratives. We are so proud of our progress!

We have also been very busy in other areas of our learning. Here are some photos of Sports Fest, RE, science and maths!

**BOYS COUNTY CRICKET FINALS**

Well done to the boys who took part in the cricket on Wednesday. They finished 4<sup>th</sup> in Somerset winning 3 games and losing 1 game.

Next week some of our girls take part in the Girls County Cricket Finals and we wish them Good Luck!

WOW!!!

What an awesome day we had at Woodlands Play Centre.

We were able to put our knowledge learned over the year into practice in a real forest environment.

Miss Guildford got lost when we arrived so we played '1,2,3 where are you?' to find her. Turns out she followed a butterfly she wanted to identify.

We hunted for facts about woodland animals to gather letters which needed to be unscrambled to reveal a word, had a go at using flint and steel to light a fire and made dens in the bushes (we need to work on our waterproofing.) We finished our day by toasting our own marshmallow over the fire to make s'mores. Yum!!

## Maple Class Assembly

This morning Maple Class took us 'down under' to share their learning on Australia. The assembly was totally interactive with the pupils and parents getting involved. A special mention must go to Mr Bond who was brave enough to take part in the 'Bush Tucker Trial' eating challenge. Well done Maple Class!

## Ash Class Trip

Last Friday, Ash Class went to Axe Valley Wildlife Park. The children had the chance to get up close to the animals with many being brave enough to handle them.

If your child has any dietary requirements, please let the school office or your class T&F representative know.

- KS1 will enter via the main hall doors
- KS2 children will enter via the practical area
- Children will be ticked off the register as they enter to ensure we have a list of all children present for Health and Safety reasons.
- Children are unable to bring coats/accessories with them, in case of loss
- Please note that only staff and volunteers with Trull School DBS clearance may be in the hall during the disco for safeguarding reasons.

At the end of each disco please wait by the main hall door to collect your child. The children will be grouped by class for you to collect. If parents can group together by class where possible, that would also help. Please ensure you inform the member of staff in charge of each class that you are taking your child.

**VOLUNTEERS NEEDED:** for the disco to run smoothly we require 10 parent volunteers per disco and you will need a Trull School DBS to volunteer. At least two staff members will also be at each disco. If you are able to help, and you have a Trull School DBS in place or underway, you can let us know you're happy to help via SCOPAY when you make a disco booking for your child.
