Maple Class News

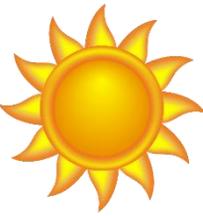

PE with King's College:

Year 2 were very lucky last week to have a special PE session which was led by students from King's College. Children from Maple and Elm classes were able to take part in a variety of activities which included jumping, throwing and football. The weather was kind, lots of fun was had by all, and the children are extremely excited about their next session in a few weeks time.

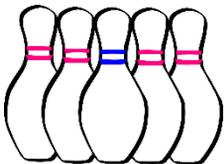

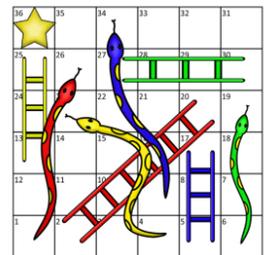

We had beautiful sunshine for our wellbeing run this week.

Late Club Appeal

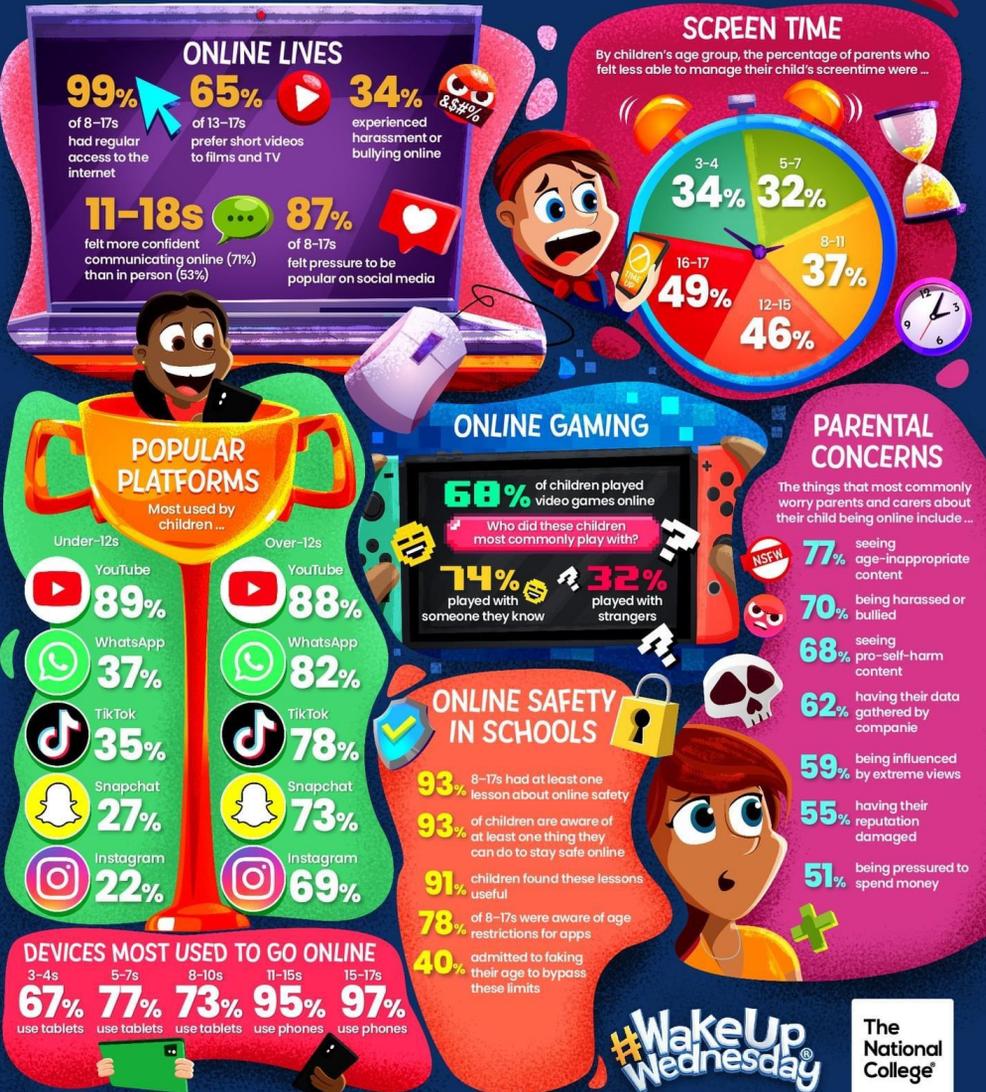

*Late Club are looking for outdoor games.
If you have any at home which you could donate
to school, please drop them into the office.
Thank you 😊*

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Can Learn from the OFCOM MEDIA REPORT 2024

Each year, Ofcom - the UK's regulatory body for communications - produces an overview of children and parents' media experiences over the course of the previous year. At the time of writing, the latest of these reports, 'Children and parents: media use and attitudes 2024' has just been published, and we've plucked out some of its most thought-provoking findings regarding online safety.

Hi All, A reminder that if you can spare an hour on Saturday morning to help me oil some of the wooden furniture in the park it would be gratefully appreciated. I've 6 brushes and some pots of oil. I'll be in the park from 9am-12midday. Old clothes are a necessity. Team work makes the dream work.
