Elm Class News

We have had a brilliantly busy start to the summer term. We have been busy planting our own beans in Science and we are so excited to see them germinate and grow. We are keeping a diary each week to observe and monitor the changes over this half term. We can't wait to bring them home in the hope we have some beans to harvest!

In RE, we are learning about how some Jewish people live their lives. This week, we spent some time learning about Shabbat and how some Jewish families celebrate it in different ways. We had our own afternoon of Shabbat preparation and rest/celebration to deepen our understanding. We cleaned the classroom and turned off all of our electronics. We then celebrated with candle lighting, prayers, and feasting on fruit and our own version of challah bread. We then all played games and toys together.

Well done to everyone who took part in the Football Tournament on Thursday, they came joint 1st and 5th out of 8 teams.

Forest School have been making dream catchers this term
