Ash Class News

As a part of our animal topic, the children in Ash Class have been learning about different groups of animals and their habitats. This week we have been finding out about animals that live under the sea. We have done some lovely paintings of different types of sea creatures and have found out lots of interesting facts.

We read the story 'Walter the whale and his plastic tail' and watched a short video clip about problems litter and plastic are causing to the sea creatures in the ocean. The children created their own 'Save the ocean' pictures and posters. We thought about what we can do to help when we go to a beach with our families.

This half term we are really enjoying Forest School. The children loved our welly walk last week where we looked for different signs of animals. This week we made clay hedgehogs!

A huge thank you again to Mr and Mrs Smith who came in to visit us earlier in the term. They spoke to us about their jobs as a marine biologist and wildlife film producer. We were very fortunate to see some amazing footage of different marine life and even got to see and touch a real life whale bone!

*I have come that they may have life,
and have it to the full.

Dear parents,

We are absolutely thrilled with the amount of use our new play equipment is getting. It is in use at every opportunity and the school staff are helping to guide the children towards exploring equipment which is suitable for them and teaching them how to use it safely. Can I please remind you that if your child is using the play equipment after school, they **MUST** be supervised at all times to ensure they are safe. The play equipment is not to be used before school.

We are very excited to be seeing a few signs of spring! The after school clubs, particularly Multi-Skills and Late Club will be using the play equipment at the end of the day as part of their planned activities. Therefore, could we please request that the play equipment and playground is clear for them to use from **3:30** onwards.

Thank you in advance for your support and understanding with this.

MORE INFORMATION COMING SOON

World Book Day Competition 2024

We were blown away by how many entries we had and we found it very hard to choose the winners. Luckily we had help from the book ambassadors!
Well done everyone - what an amazing effort from you all!

We are planning to hold an Online Safety Workshop for parents in the summer term.

To feed into the planning of this and to ensure that we are addressing the right issues, we would be really grateful if you could spend a few minutes completing the following form about your child/ren's online use: <https://forms.gle/uTcNadjhyX8SZscQ9>

The responses are completely anonymous, so please be as honest as you can – this is not in any way a 'test', we would just like to better understand where we can offer support. You are able to submit more than one response if you have more than one child at the school.

Netball and Dodgeball Tournaments

Well done to everyone who took part in the tournaments this week.

Dodgeball results:

Our two teams came 5th and 3rd in the competition

Netball results

Skips Safety Net Keeping children safe online

A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office (PREVENT), The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
