Yew Class News

We have crammed lots into this half term in Yew Class. We have been planning ahead, learning some songs and auditioning for the parts we would like in our summer production - Wizard of Oz. We have been inspired by Greta Thunberg and have just finished writing our own persuasive speeches and letters that we are going to send out to the people that can action our change. Lastly we have been thinking about electricity in science and have used this knowledge in DT to design and build our own cars - connecting the axels, motors and gears has been tricky!

On Wednesday, Rev Imogen Ball led us in our Collective Worship. She will shortly be going on maternity leave so we wish her, Jon and Barney all the best at this joyful time.

Children's Mental Health Week

Once again, we will be celebrating Children's Mental Health week here at Trull during the week of the 5th February. This year the theme is 'my voice matters' and this was introduced by our amazing Wellbeing Champions during an assembly today. They explained the theme and introduced some changes they'd like to implement in the school starting from next week.

- Due to it's popularity, the Zen Den will be increasing from one lunch time per week to two, supported by the Wellbeing Champions.
- The Wellbeing Champions will help our brilliant staff on the playground at lunch time.
- Children can choose to wear 'something that speaks about you' on Friday 11th February.
- There will be a competition to draw a picture of 'my happy place' or 'an inspirational quote' to place around the school (entries to a Wellbeing Champion or Mrs Weston by Friday 1st March).
- The children will take part in activities based on what makes them happy, in their classrooms.

May we take the opportunity to thank you so much for your continued support,

Mrs Weston and the Wellbeing Champions

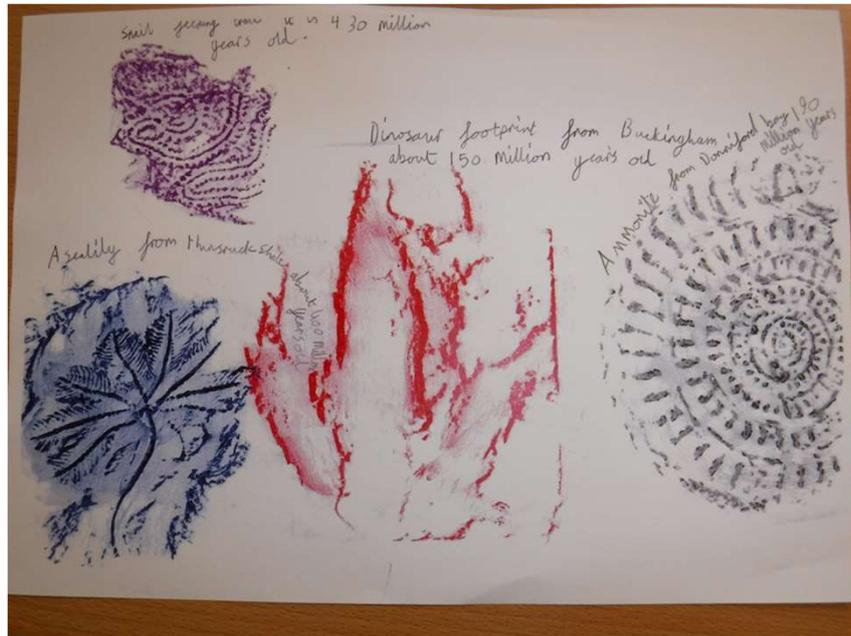

Competition Launch!

On Tuesday, Oak Class welcomed a visitor from Taunton Museum. We learnt all about rocks and fossils, through games, classifying activities and rubbings. Some of the fossils we took rubbings of were formed over 430 million years ago! We had a great morning.
