Rowan Class News

Rowan Class brilliantly led the school's Harvest celebration with a service in church on Wednesday. They spoke clearly and confidently, and their singing was joyful! They also really enjoyed rising to the challenge. The message of the service was thanking God for our harvest, including our favourite foods and those of animals. To help all those plants grow, we need bees, butterflies and other pollinators. As Prue, Paul Hollywood and our baker told us without pollinators there would be no cake ingredients or Bake Off!

Thank you for all your donations of spring bulbs, compost and pots! They will make a beautiful display of colour and food for our pollinators next spring. The Eco-team and every class will soon be busy planting! We are going to make a reflection space outside and the bulbs will be used to add colour to that space.

*I have come that they may have life,
and have it to the full.

Year 2 Sports Festival

On Wednesday this week Mr Oxley took the year 2 children from Maple and Elm classes to Castle School for a sports festival. They took part in a range of activities including javelin, football, skipping and catching. They were lucky with the weather and everyone had a great time.

Well done everyone who took part in the Tag Rugby Tournament this week – you were all brilliant! One team won 1 game, drew 1 game and lost 1 game and the other team won 2 games and lost 1.

Car Parking

A reminder please to be courteous when parking along Church Road – please do not block peoples gates. When parking in the car park, please be considerate of others and do not block cars or park outside spaces.

Many thanks

National Poetry Week

To celebrate National Poetry day on Thursday, we held a special assembly where we shared some poems. The Reading Ambassadors from Year 6 recited some poems. They chose Food Train and Michael Rosen's The Car Trip. Jack Mercer also shared some poems, ranging from The Highway Man to the warning poem 'Jim' by Hilaire Belloc. We also heard poems about football and some poems that told some traditional tales. The children did a brilliant job joining in and predicting some of the rhymes.

If you would like to hear some poets reading their own poems, the link below has some excellent examples: [Children's Poetry Archive - Listen to the world's best children's poetry read out loud.](#)

Girls Football

Played 4 games - won 2, drew 1, lost 1.

They finished 2nd in Taunton so will take part in the County Finals in January at Strode College.

Well done! 😊

How to Set up PARENTAL CONTROLS for APPS Android Phone

On Android phones, restricting access to particular apps usually requires going onto Google Play. From there, it's fairly easy to navigate your way through the settings to manage the parental controls and authentications relating to any apps on the device. These features can prevent your child from downloading or buying anything unsuitable for their age. Updated versions of apps or games that your child has already installed may occasionally contain something inappropriate, so we've explained how to stop those, too.

How to Block App Downloads (This Also Disables In-app Purchases):

1. Open Google Play Store
2. Tap the profile icon in the top right
3. Tap Settings
4. Scroll down to the Family section and tap Parental controls
5. Toggle 'Parental controls are off' to 'Parental controls are on'
6. Create a PIN and tap OK
7. Confirm your PIN and tap OK again
8. Tap Apps & Games
9. Tap the age limit you wish to set
10. Tap Save to apply your changes

How to Stop Auto-updates

1. Open Google Play Store
2. Tap the profile icon in the top right
3. Tap Settings
4. Tap Auto-Update Apps
5. Select 'Don't auto-update apps' and then tap Done

Restricting Apps Through Google Family Link

1. Open Google Play Family Link for parents
2. Tap the three horizontal lines in the top left
3. Select your child's account
4. Tap Manage
5. Tap Controls on Google Play
6. Tap Apps & Games
7. Select the age limit you wish to set
