## Elm Class News

We have had a wonderfully busy start to the new year in our new class. We have been wowing each other with our brilliant number knowledge in maths and learning about traditional tales in English. We are enjoying writing our own version of Goldilocks and the Three Bears by adding exciting vocabulary. In Geography and History, we have spent lots of time exploring the school and recognising features of the building, as well as learning about the history of our school. We have also had some memorable moments in outdoor education... We have worked as a team during a scavenger hunt and built some cosy dens with our friends.

*I have come that they may have life,  
and have it to the full.  
John 10:10*
