Beech Class

Over the last few weeks, the children in Beech Class have been learning about the 1970s and 80s as part of celebrating 150 years of Trull School.

By looking at old photographs of the 1970s, we have found out what our school looked like before Ash, Beech, Elm, the hall and the practical area were built. We have also had great fun playing with games and toys from the 1970s and 80s, looking at technology and dancing to music. We even interviewed Mrs Crudge to find out what it was like to be a child at Trull School at that time!

We finished the last half term by dressing up as 1970s children and proudly showing our families everything we have learnt.

Girls Cricket Monday

On Monday we took 2 teams to Bishop Fox's for a Cricket Tournament. We had great fun and there was a very competitive Trull vs Trull game to finish. Trull won!

Save the Date

A Celebration of the Arts – Past & Present Friday 11th July

We are putting together an evening of music and dance with our choir, orchestra, dance club and other performers. Further information to follow shortly.

Bell Ringing

Yew Class visited the bell tower in Trull Church this week to see the bells that have recently been rehung. They were invited by Alan Sawyer to try their hand at bell ringing. They had a great time and we might have inspired the next generation of bell ringers! Thank you to Alan and his volunteers for giving up their morning.

Flat Stan

This week, all the children in the school were treated to a first aid workshop from Flat Stan.

We learnt how to look after ourselves and others. Flat Stan taught us skills such as dealing with a nose bleed, applying a plaster and bandage and importantly how to do CPR and get help. Hopefully all the children have learnt something this week that could help save a life.

PARKING

Could we please remind those of you that drive to and from school to be considerate when you are parking.

Please **DO NOT** park in front of the doors to the Memorial Hall – this is a fire exit and should remain clear at all times.

Thank you!

attendance this week is:

Beech Class!

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about OFCOM MEDIA REPORT 2025

Every year, Ofcom releases its Children and Parents: Media Use and Attitudes Report, offering fresh insights into how young people are using digital platforms. The 2025 edition highlights key safeguarding concerns as children's engagement with social media, gaming, and live streaming continues to grow. This guide pulls out the top statistics from the report, focussing on the main areas of concern for parents and educators.

ONLINE LIVES

Children are engaging with social media and online content at increasing rates:

37%
3-5s

now have access to social media platforms; however, only a small proportion use it independently of parents.

79%
3-17s

have a social media profile, with 16% including a public photo.

66%
3-17s

watch livestreamed videos regularly, with 16% of them streaming their own content.

ONLINE GAMING

Gaming remains popular but raises concerns:

74%

of children say they play with someone they know, while 32% report playing with strangers.

62%

of parents worry about their children talking to strangers while gaming.

31%

of children who game online chat with people they don't know.

PARENTAL CONCERNS

Parents are increasingly worried about online risks:

70% fear their child may see age-inappropriate or sexual content.

68% fear exposure to content that promotes self-harm.

72% worry about their child distinguishing real from fake information.

61% worry about exposure to extreme views.

69% are concerned about online bullying.

SCREEN TIME

Screen time is still a major challenge for parents:

70% of parents of 13-17s say it's difficult to manage screen time.

33% of 8-17s think their own screen time is too high.

At **29% vs 24%** boys were more likely than girls to disagree that their screen time is too high.

18

HARMFUL CONTENT & INTERACTIONS

A significant minority of children continue to have negative feelings about social media and messaging apps:

Nearly four in ten 8-17s believe that people are mean or unkind to each other online all or most of the time.

Girls aged 8-17 are more likely than boys to say they have experienced someone being nasty or hurtful to them online (31%).

One third of teenagers agree that it's important that people can say what they want online, even if it offends someone.

ONLINE SAFETY IN SCHOOLS

Positively, the vast majority of children reported learning about online safety at school:

92%

of children aged 8-17 recall at least one lesson on online safety and most report finding them useful.

The top three topics covered are:

63%

How to recognise harmful content.

63%

How to keep personal information safe.

62%

Being kind and respectful online.

The poster features a dark blue background with a large white circle in the center containing a red circle with a white silhouette of a person throwing a ball and the word 'DODGEBALL' below it. Surrounding the central circle are various sports icons: a baseball bat and ball, a soccer ball, a basketball hoop and ball, and cricket stumps. At the top, the text 'MULTI-SPORT ACTIVITY CAMP' is written in large, colorful letters, with a row of sports balls (basketball, tennis ball, soccer ball, baseball, badminton shuttlecock, and football) below it. Two yellow stars are positioned in the top corners. Text at the bottom left provides dates, times, cost, location, and coaches. A blue starburst graphic on the right contains text about age eligibility. A small note at the bottom left specifies the number of children per day.

★ Want to build a stronger bond with your child and better understand their emotions?

Parenting can be incredibly rewarding—and sometimes a little confusing too! If you’ve ever wondered what’s going on in your child’s mind or how to support them through big feelings, you’re not alone.

Somerset MHST is offering Tuning into Kids (TIK) – a free, six-session, in-person programme for all parents, whether your child attends an MHST school or not!

This friendly course is all about:

- 📖 Understanding your child’s emotional world
- 📖 Strengthening your connection
- 🗣️ Sharing ideas with other supportive parents
- 💬 Building confidence in handling everyday challenges

- 📅 First session: Tuesday 17th June
- 📍 Nerrols Primary School, Taunton
- 🕒 9:00–9:15 – Arrivals with tea & coffee
- 🕒 9:15–11:15 – Tuning into Kids session
