Dear parents and carers,

Firstly, I would like to wish you all a very Happy Easter!
I hope it is restful and you all manage to enjoy a wonderful break.

We have had an incredibly busy term once again, with fabulous trips, enrichment, dance, sport and learning all taking place. We have loved being able to welcome some of you in to join us for Collective Worship and celebrate with our classes and we look forward to inviting many more of you to join us next term.

I was incredibly proud to watch our choir, orchestra, brass group and singing club perform last night at The Castle School Community Concert. It was an incredibly joyous evening, celebrating the talents and commitment of so many past and present pupils. It was also wonderful to see the pride on the faces of every pupil there, coming together to perform at such a wonderfully high standard.

I know many of you were watching along at home on the livestream and it has been fantastic to receive so much positive feedback. Thank you for all you do to support and encourage our children to take part in such well-rounded and inspiring experiences.

Once again, please do enjoy your Easter break and I will look forward to welcoming you all back in the Summer Term.

Best wishes,
Luke Bottomley

Jewellery Reminder

For safety reasons, the wearing of jewellery is discouraged. Children with pierced ears should only wear studs. They should not have any more than one piercing in each ear. These will need to be removed or taped over for PE sessions.

Car Parking

When using the car park at drop-off and pick-up times, please be considerate of others.

- Please do not park in the disabled parking spaces unless displaying a blue badge.
- Please do not park on the yellow hatched areas.
- Please only park in designated spaces and do not park alongside other vehicles.

And if you end up parking along Church Road and Wild Oak Lane, please do not block gates or driveways and be respectful of our neighbours.

We are very lucky to be allowed to use the car park so please respect their directions.

Many thanks.

Programme Information

Our award winning **WIBB** dance programme is specifically designed to support children aged 2 to 6 to develop confidence, coordination, listening skills, and self-control. Through fun, structured movement and music, children learn discipline, respect, and positive behaviour while building a strong foundation for learning and self-expression.

Our **ZIMOPS** dance programme works hand in hand with a child's school life, providing many benefits both physically and mentally. Through focused and consistent training, students are taught the value of dedication, teamwork, and perseverance, learning that with effort and commitment, worthwhile goals are achievable.

Our **TRIBE** dance programme is designed to support older children and teenagers in building confidence, discipline, and self-belief. Students develop creativity, focus, and resilience while learning how to express themselves positively, work as part of a team, and challenge themselves in a supportive environment.
