Maple Class News

Maple Class have had a fantastic start to our final summer term. In Geography, we have been exploring the fascinating country of Australia, learning about its physical and human features and comparing them with those of the United Kingdom. The children have particularly enjoyed discovering the unique Australian wildlife and have been amazed by animals such as wombats, kangaroos and koalas.

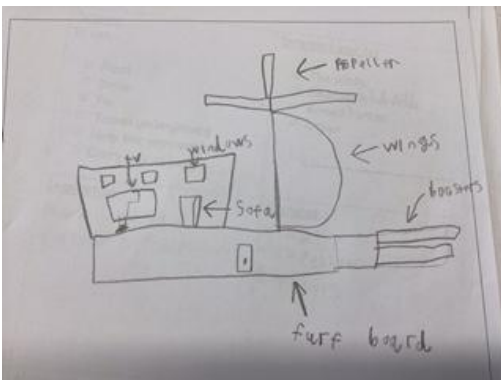

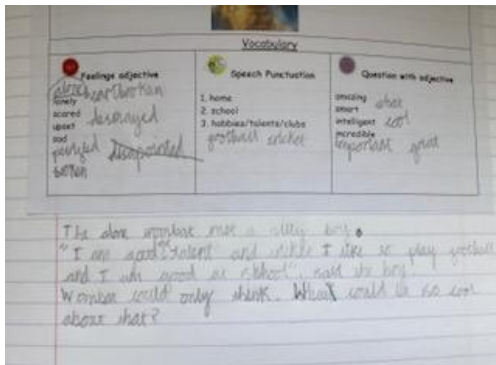

*I have come that they may have life,
and have it to the full.
John 10:10*

In English, we have been using the story 'Wombat Goes Walkabout' for our reading and writing. The children have developed their descriptive writing skills, using their knowledge of Australia and exciting vocabulary to bring Australia's landscapes and animals to life.

Last week, we were lucky enough to be joined by our other Year 2 friends from Elm Class. We had a great morning learning about the history of transport and designing our own forms of transport in DT. The Year 2's are excited to get back together in July to create their designs using junk modelling.

Here are some images of our fantastic writing and our interesting designs.

Last week, the year 1 children from Beech and Elm Classes went to Castle School for a multi-sports festival. It was (mostly) wet and cold but we had a fantastic time throwing, skipping, dribbling, balancing, shooting, jumping and much more. The activities were supervised by Year 9 students, and it was great to see some familiar faces and old friends.

On Thursday 18th June, Clare (our school violin teacher) and some of her current violinists performed to the children in assembly. It was great fun and the children watching really enjoyed the opportunity to see their friends perform. Many of our current violin pupils in KS2 take part in our school orchestra and Clare supports Mrs Tudor with the orchestra each week.

Clare fortunately has capacity to start more children learning the violin at the school - from reception age through to Year 5. Please complete this form if your child has come home enthused from today's assembly and would like a free taster lesson to see what it's like. A provisional date for the tasters to take place is Friday 3rd July, but this will be confirmed once forms have been completed.

Please complete the taster lesson form by Friday 26th June.

[Taster Lesson Request Form](#)

Cello lessons -

If your child would be interested in learning to play the cello from September, with a free taster session, please contact the School Office who will pass your enquiry on.. This will be for children in Year 2 and above.

Book Look – Wednesday 24th June

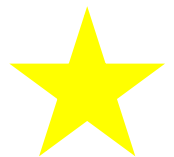

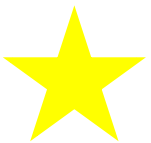

We would like to invite you in to school at the end of the day to enjoy looking at the work that your child has produced this year. Please pop along to your child's classroom between 3.30pm and 5.00pm to share in their learning from across this term.

In Forest School this week we freshened up the sign welcoming everyone into the forest school area.

Yew Class Appeal

We are looking for white, clean bedsheets (not fitted) for our year 6 production. If you have any, please bring them into school. Please note, they will not be returned to you as they will be painted on.

TRULL SCHOOL FUNDRAISERS
2026 SUMMER

DISCO

FRIDAY 3RD JULY

**KS1 DISCO - YR, Y1, Y2 (ASH, BEECH, ELM & MAPLE)
5:30PM - 6:30PM**

**KS2 DISCO - Y3, Y4, Y5, Y6 (OAK, ROWAN, WILLOW & YEWE)
6:45PM - 7:45PM**

The Summer disco is £3.00 per child and includes a drink and a small snack. Please pay the entrance fee via SCOPAY by 6pm on Thursday 2nd July when bookings will close.

If your child has any dietary requirements, please let the school office or your class TSF representative know.

- KS1 will enter via the main hall doors
- KS2 children will enter via the practical area
- Children will be ticked off the register as they enter to ensure we have a list of all children present for Health and Safety reasons.
- Children are unable to bring coats/accessories/mobile phones with them
- Please note that only staff and volunteers with Trull School DBS clearance may be in the hall during the disco for safeguarding reasons.

At the end of each disco, the office door will open for you to queue to collect your child. The children will be grouped by class for you to collect. Please ensure you inform the member of staff in charge of each class that you are taking your child, then exit via the hall doors onto the playground.

VOLUNTEERS NEEDED: for the disco to run smoothly we require 10 parent volunteers per disco and you will need a Trull School DBS to volunteer. At least two staff members will also be at each disco. If you are able to help, and you have a Trull School DBS in place or underway, you can let us know you're happy to help via SCOPAY when you make a disco booking for your child.

ATTENDANCE

The classes with the best attendance this week are:

Elm and Rowan!

Polite Reminder

Please do not park on the hatchings outside the Memorial Hall as this is a fire exit.

If you are unable to find a space in the car park, please park on the surrounding roads instead.

We take child protection extremely seriously at our school. If you have a concern, you can speak to any of the school's designated and trained Child Protection officers: Miss Grammer, Mrs Cerullo, Mr Bottomley or Mrs Crudge. Alternatively, you can ring Childrens Social Care on: 0300 123 2224 or Email childrens@somerset.gov.uk

BOOKINGS OPEN ON 30th JUNE

happy healthy holidays SOMERSET

Would you like support with understanding and managing your young person's behaviours of concern?

The Course

- Each weekly session covers a different aspect of understanding and supporting behaviours of concern of children who are autistic and/or have learning disabilities.
- This includes considering sensory and communication needs. Parents and carers start the course by identifying a behaviour. Together we will develop skills, using a variety of strategies to help support the behaviour of concern
- There is also a focus on parent/carer wellbeing throughout the course
- This free course will run for 10 weeks. The sessions will be 2 hours long. Parents will need to attend all sessions except for unexpected circumstances i.e. sickness

Criteria

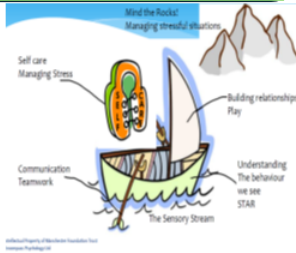

Please note that the course is not suitable for families who are currently in crisis or already on the Link LD/A caseload.

- The course is for parents/carers of young people with a confirmed diagnosis of Autism and/or Learning Disability or who are on the waiting list for an Autism assessment
- You should live with, or have very frequent contact with your young person.

Contact Link LD/A for more information

Email: linklda@somerset.nhs.uk

Courses will be running in September, January & April.

GNAO1-RELATED DISORDER Riding the Rapids

About the course:

Riding the Rapids is a free course for parents and carers of children who have a diagnosis of Autism, learning disabilities, neurodevelopmental conditions or complex physical disabilities.

The course aims to help parents to understand and support their child's behaviour, in the context of additional needs.

Research shows that parents and carers who attend Riding the Rapids can:

- Develop effective strategies to promote wellbeing and change behaviour.
- Increase their coping skills and confidence, reducing stress.

Each weekly session covers a different aspect of understanding behaviour and supporting autistic young people and/or young people with a learning disability.

Parents and carers start the course by deciding on a target behaviour they would like to understand and focus on, to improve their child's quality of life, and then putting together a plan to tackle it using a variety of strategies.

Parents and carers develop strategies through discussion, direct teaching, practising ideas and watching videos of other parents talking about what strategies they use. Parents and carers put strategies into place between sessions.

Courses for parents/carers of secondary aged children also include sessions on puberty and developing independence skills.

Dates:

This course is run 3 times a year, in January, after the Easter holidays and in September. The next dates the course are running are:

Primary:

- Thursday 24th September – Thursday 3rd December 2026 with a break over half term

Secondary:

- Tuesday 22nd September – Tuesday 1st December 2026 (with a break over half term)

Practical information:

Our courses are facilitated by colleagues in the Link LD/A team who have been trained in Riding the Rapids.

Our courses are split into two age groups:

- Primary: for parents/carers of primary-aged (reception to year 6) children.
- Secondary: for parents/carers of secondary aged (school years 7-11) children.

The course will run for 2 hours a week, for 10 weeks (with breaks for school holidays). All parents/carers are expected to attend a minimum of 8 sessions.

There is a follow up meeting 2-3 months after the course has finished to discuss how everyone is finding things and to provide an opportunity to answer any questions.

Frequently asked questions

1. Can I bring my small child to the session?
No, we find people can concentrate more easily when there are only adults in a room
2. How often are the courses held?
We run primary and secondary courses three times a year, in January, at Easter and in September
3. Where are the courses held?

We rotate where the group is held each time, but it is a mixture of online on Microsoft Teams and in-person. Because we offer these courses for any parents/carers in Somerset with a child of primary or secondary age, we try to do some in-person sessions in the West of the county and some in the East.

4. Can I bring my partner/ mum etc to the course?

Yes, but please check with one of the facilitators first so we know how many people to expect.
