Willow Class News

We have had a REALLY busy half-term in Willow Class, but this week has been especially busy! On Wednesday, 1st July, we went to a women's international cricket match at the Somerset County Cricket ground. We watched England vs India; it was so fun! We got lots of signatures - even a signature from Stumpy (the Somerset CC mascot)! England got 298 runs from their innings! Also, on Wednesday we went up to Yew Class before the cricket for our 'move up' morning. We got to design coats of arms for Mr Bond to get to know us more. Year 6 sounds like it is going to be very exciting! 😊 To end our exciting Wednesday, at 5pm everyone had the opportunity to watch the football in the school hall! England won 2-1 thanks to Harry Kane scoring both of the goals! It was VERY intense. On Monday 29th this week, the choir and singing club went to Bridgwater to do a singing festival at the McMillan theatre. It started at 1.00pm for rehearsals and then the actual concert started at 6:45pm. It was great!

We still have plenty of exciting things happening in the classroom. In art, we are creating 3D sculptures of polar bears using recycled materials inspired by Faith Bebbington's enormous sculptures. We are also learning about the Victorian era in our history lessons - it has been very interesting so far!

In English, we have been writing a very exciting and important newspaper report about an unexpected event that happened in school on Wednesday 17th June. A mysterious pink, fluffy creature was spotted in the Forest School area! All of the Year 5 children have been journalists gathering quotes from witnesses to put into their newspaper reports. Our English lessons have been fun and mysterious! Please take a look at the photo and let us know if you have any information about the pink creature!

Our workshop yesterday was amazing, interesting and fun. It was about Jewish celebrations with a lovely lady called Caroline. She taught us about Shabbat and we also tasted some twisted bread and grape juice whilst she said some prayers in Hebrew, the traditional language of Judaism.

We learned that some very strict Jewish people and families follow all the rules on Shabbat, including no working, no electronics and rest. You must break all these rules in an emergency.

Our favourite things about the workshop was tasting the bread and that she involved us and taught at the same time. She poured water on some children's hands and sang a prayer. She also taught how some Jewish children donate some of their pocket money to charity. She taught us some Jewish songs on her guitar.

We really enjoyed the workshop this morning and hope she will be back next year so she can teach us more!

On Monday, our Y5&6 Choir and Singing Club took part in the Bridgwater Singing Festival at the McMillan Theatre. This was an opportunity for our choir to showcase their musical talent along with another 6 schools from Taunton and Bridgwater. At the end of the evening, all the schools joined together as a mass choir to perform the final 2 pieces: In Me I Trust and Unwritten. Thank you to Somerset Music for organising this event.

SPORTS DAY 2026!

More photos and winners to be announced next week

Well done everyone who took part in the Y3 Rounders Tournament on Thursday. They won 2 out of 3 of their games!

In our extra Forest School group last week we created Nature Mandalas. Afterwards we cleaned off and cooled down with a hose!

Wanted!
Bike for child aged 10-11 years with stabilisers if at all possible. Please can you let the office know if you are able to donate one.

SSE Outdoors Newsletter

June 2026

Hello there!

Well Summer is here (yes - we know it doesn't feel like it just yet!!) and every SSE Outdoors Centre is fully immersed in School Residentials!

If you are joining us this season we look forward to welcoming you but before that we thought we'd let you know about some super exciting things we have planned for the next few months!

We have our ever-popular Family Day, Summer holiday Activity Day Camps and exciting developments happening across all our centres so read on to find out

WHAT, WHERE & HOW!!!

KILVE COURT FAMILY DAY

WHEN

Saturday, 1st August 2026 - 10.00am - 16.00pm

WHERE

Kilve Court, Kilve, Bridgwater, Somerset. TA5 1EA

ABOUT

On Saturday 1st August, we'll be hosting our (almost!) infamous Family Day at our Kilve Court Centre near Bridgwater!

This is a fun-filled, inclusive event where everyone is welcome to come along and have a go at a wide range of our outdoor activities – plus a few extra surprises on the way. Alongside this, we're excited to be welcoming some fantastic local craft stalls and providers who will be offering a variety of creative and hands-on activities.

Of course, no family day would be complete without some tasty treats!

We'll have an ice cream van, a coffee van and several other food stalls – perfect for parents (and anyone with a sweet tooth) looking to relax and enjoy the atmosphere.

Tickets are now live on our website, and we strongly recommend booking in advance to avoid disappointment.

We can't wait to see you there for what promises to be a brilliant day!

SUMMER HOLIDAY ACTIVITY DAYS

WHEN

Through the month of August 2026

WHERE

Kilve Court, Kilve, Bridgwater, Somerset, TA6 1EA

And

Charterhouse Outdoor Centre, Blagdon, Somerset, BS40 7XR

ABOUT

We have put together a fantastic activity programme this summer for young people aged 7-14.

Each day will run from 9:30am to 3:30pm and is priced at £85 per person, which includes lunch and a full day of engaging outdoor activities based at Kilve Court and Charterhouse.

We can accommodate up to 36 places per day, with children thoughtfully split into age-appropriate groups, to ensure the best possible experience for everyone.

If you would like more information about the dates on offer, the full programme and further details are available via the link below.

We hope we'll see you this summer!

PROJECTS ACROSS SSE OUTDOORS

WHAT'S GOING ON

For many years now, the team at Kilve Court and the Outdoor Centre have been working hard to develop projects that will renovate, replace, and innovate across the site and its facilities. We are committed to ensuring these improvements benefit not only the environment and the property itself, but also the valued customers we support.

As you will appreciate, when investing public funds, it is essential that we are thorough, transparent, and subject to appropriate scrutiny. This helps ensure we achieve the best possible outcomes, but it can also (frustratingly!) mean that progress takes time.

We've completed all the necessary preparatory and external work, and projects are currently progressing through internal council processes as part of the next stage of decision-making.

While we don't yet have a confirmed timeline, we fully understand and share the frustration that these projects have been in discussion for some time without visible progress on the ground.

Please be assured that we are continuing to do everything we can to move things forward and bring the plans to fruition.

We truly appreciate your patience and ongoing support, and we look forward to welcoming you to Kilve and all of our centres very soon!

SEE YOU VERY SOON AT ONE OF OUR CENTRES AND DON'T HESITATE TO GET IN TOUCH WITH ANY QUERIES ON

Would you like support with understanding and managing your young person's behaviours of concern?

The Course

- Each weekly session covers a different aspect of understanding and supporting behaviours of concern of children who are autistic and/or have learning disabilities.
- This includes considering sensory and communication needs. Parents and carers start the course by identifying a behaviour. Together we will develop skills, using a variety of strategies to help support the behaviour of concern.
- There is also a focus on parent/carer wellbeing throughout the course.
- This free course will run for 10 weeks. The sessions will be 2 hours long. Parents will need to attend all sessions except for unexpected circumstances i.e. sickness.

Criteria

Please note that the course is not suitable for families who are currently in crisis or already on the Link LD/A caseload.

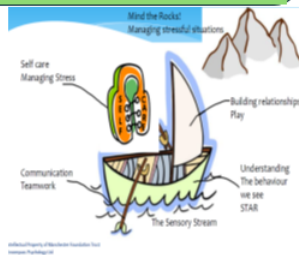

- The course is for parents/carers of young people with a confirmed diagnosis of Autism and/or Learning Disability or who are on the waiting list for an Autism assessment.
- You should live with, or have very frequent contact with your young person.

Contact Link LD/A for more information

Email:

linklda@somerset.nhs.uk

Courses will be running in September, January & April.

Primary:

- Thursday 24th September – Thursday 3rd December 2026 with a break over half term)

Secondary:

- Tuesday 22nd September – Tuesday 1st December 2026 (with a break over half term)

Practical information:

Our courses are facilitated by colleagues in the Link LD/A team who have been trained in Riding the Rapids.

Our courses are split into two age groups:

- Primary: for parents/carers of primary-aged (reception to year 6) children.
- Secondary: for parents/carers of secondary aged (school years 7-11) children.

The course will run for 2 hours a week, for 10 weeks (with breaks for school holidays). All parents/carers are expected to attend a minimum of 8 sessions.

There is a follow up meeting 2-3 months after the course has finished to discuss how everyone is finding things and to provide an opportunity to answer any questions.

Frequently asked questions

- Can I bring my small child to the session?
No, we find people can concentrate more easily when there are only adults in a room.
- How often are the courses held?
We run primary and secondary courses three times a year, in January, at Easter and in September.
- Where are the courses held?

RNAO1-RELATED DISORDERRNAO1-RELATED DISORDERRiding the Rapids

About the course:

Riding the Rapids is a free course for parents and carers of children who have a diagnosis of Autism, learning disabilities, neurodevelopmental conditions or complex physical disabilities.

The course aims to help parents to understand and support their child's behaviour, in the context of additional needs.

Research shows that parents and carers who attend Riding the Rapids can:

- Develop effective strategies to promote wellbeing and change behaviour.
- Increase their coping skills and confidence, reducing stress.

Each weekly session covers a different aspect of understanding behaviour and supporting autistic young people and/or young people with a learning disability.

Parents and carers start the course by deciding on a target behaviour they would like to understand and focus on, to improve their child's quality of life, and then putting together a plan to tackle it using a variety of strategies.

Parents and carers develop strategies through discussion, direct teaching, practising ideas and watching videos of other parents talking about what strategies they use. Parents and carers put strategies into place between sessions.

Courses for parents/carers of secondary aged children also include sessions on puberty and developing independence skills.

Dates:

This course is run 3 times a year, in January, after the Easter holidays and in September. The next dates the course are running are:

We rotate where the group is held each time, but it is a mixture of online on Microsoft Teams and in-person. Because we offer these courses for any parents/carers in Somerset with a child of primary or secondary age, we try to do some in-person sessions in the West of the county and some in the East.

4. Can I bring my partner/ mum etc to the course?

Yes, but please check with one of the facilitators first so we know how many people to expect.
